Full Stack Developer

My name is Shiva Subramaniyam S, a passionate and skilled Full Stack Developer with hands-on experience in JS, NextJS, ReactJS, NodeJS. I am writing to express my interest in any potential opportunities within esteemed organization.

I am highly motivated to gain practical experience and contribute, particularly in Web application. I have worked on several real-world projects such as:

HEALE Project under TrustGrid,

Sync Social as QA,

Self Sovereign Identity project under TrustGrid,

I am Undergrad Computer Science and Engineering from Jyothy Institute of Technology, maintaining a CGPA of 9.26. I am actively engaged in building scalable Web3 solutions and constantly updating my skills in the evolving building application.

Best Regards,

Shiva Subramaniyam S
